INTRODUCTION

About Us

Society of Actuarial Science (SAS) of Heriot-Watt University Malaysia is a young society established in 2015. SAS is a platform that provides future actuaries the opportunity for professional, academic and personal development which will aid them to be outstanding candidates for employment in the industry upon graduation. With the evolution of modern era, we are focusing on focusing on how students can incorporate and be on par with this change.

Vision

We strive to expand the actuarial network to the outside world in a foreseeable future and to organize career-building programmes with companies in the actuarial field.

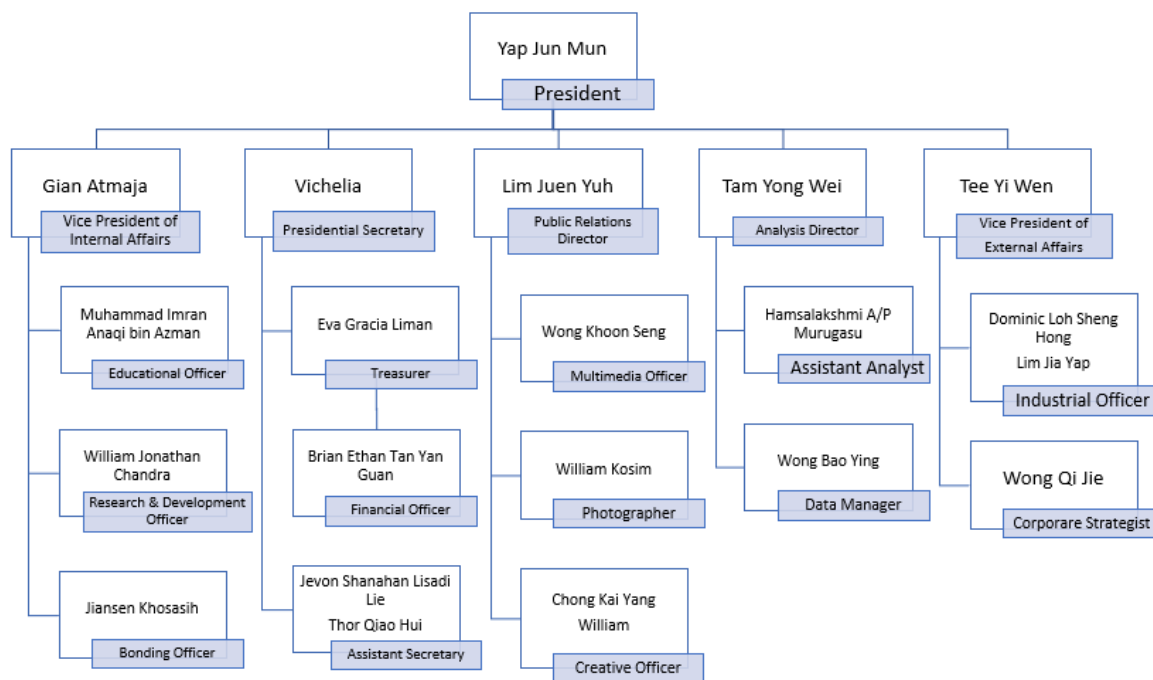

Mission

Our mission is to foster a good relationship and enlighten the community among Actuarial Science students. We also aim to connect and collaborate our interest with other Actuarial Science societies in Malaysia. We hope to support students who may face difficulties in their studies and ensure a smooth progress in their university courses.

SOCIETY OF ACTUARIAL SCIENCE

Heriot-Watt University Malaysia

No 1, Jalan Venna P5/2, Presint 5
62200 Putrajaya, Wilayah Persekutuan Putrajaya, Malaysia

HWUMSAS T-Shirt Design Contest

Period : 16th September 2019 - 4th October 2019

This competition is open to all students of Heriot-Watt University Malaysia. Participants are allowed a maximum of 3 submissions but was only entitled to one prize. The winner will win the T-shirt designed and cash prize of RM100.

Annual General Meeting

Date : 9th October 2019 (Wednesday)
Time : 2:30 pm – 4:30 pm
Venue : Heriot-Watt University Malaysia (Lecture Room 6)

This is a mandatory yearly gathering of the society. An annual report consisting of past event report, financial reports and society performance were presented. Executive committee of the academic year 2019/2020 was introduced and the newly elected sub-committees were announced. The meeting was started with Dr Soo giving a short opening speech and was attended by about 35 students.

Actuarial Talk IR 4.0 with Lee Kin Hoe

Date : 6th November 2019 (Wednesday)
Time : 3:00 pm – 4:30 pm
Venue : Heriot-Watt University Malaysia (Lecture Room 5)

The session is held to provide insight to students on how automation and Industrial Revolution 4.0 may change the actuarial world in the near future. The speaker for this session is an experienced professional actuary, Mr. Lee Kin Hoe.

A gift was presented to the speaker as a token of appreciation. This event was attended by 60 students.

Fundraising Event

Date : 6th November 2019 (Wednesday)
Time : 2:00 pm – 5:00 pm
Venue : Heriot-Watt University Malaysia (Plaza)

A fundraising event to celebrate Halloween was held by selling drinks. The total proceeds from the sales are RM 141.00.

Industrial Trip to Prudential

Date : 17th January 2020 (Friday)
Time : 1:00 pm – 4:00 pm
Venue : Menara Prudential, Tun Razak Exchange, Kuala Lumpur

The main objectives of this industrial trip are to allow actuarial students of Heriot-Watt University Malaysia to understand the work environment and to have an employee from the Actuarial Department of Prudential to give a talk and advices regarding actuarial careers. Participants do not need to pay for joining this trip, instead RM 300 is sponsored from HWUMSA, while RM 200 is sponsored from the society. The number of students who joined on this trip is 35 and there are numerous positive feedbacks regarding this trip, prompting us to hold more industrial trips for our members.

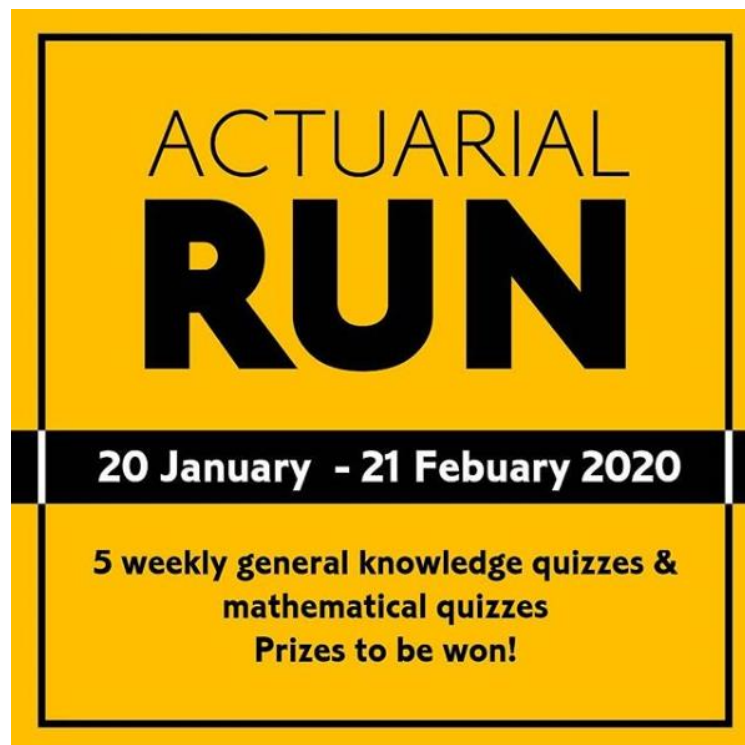

Actuarial Run (Weekly Quizzes)

Period : 20th January 2020 – 21th February 2020

The Actuarial Run weekly quizzes is open to the members of HWUMSAS. Questions are posted in the form of QR Codes pasted around the campus. Three winners with the most points were awarded gifts.

This project was done using Google Forms and did not require any form of funds except in preparing the gifts.

Internship Sharing Session

Date : 5th February 2020 (Wednesday)
Time : 2:00 pm – 4:00 pm
Venue : Heriot-Watt University Malaysia (Lecture Room 3)

A panellist of 6 senior actuarial students will share their experience regarding internship to junior actuarial students. This will allow junior actuarial students to gain tips for internship application process, especially interviews. A total of 40 students attended this session.

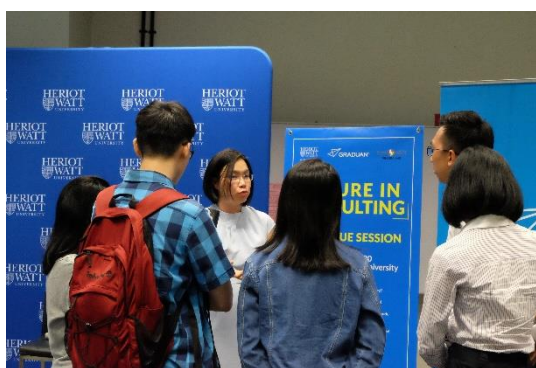

Future in Consulting Talk

Date : 4th March 2020 (Wednesday)
Time : 2:00 pm – 5:00 pm
Venue : Heriot-Watt University Malaysia (MPH)

A dialogue and networking session by 4 distinguished panellists from BDO, PwC, Frost & Sullivan and StashAway was held and open to all students of Heriot-Watt University Malaysia. This session was attended by 80 students.

This session allows participants to gain insights on how consultants work and the qualifications required to become a consultant.

MACS Socializing Event

Date : 11th March 2020 (Wednesday)
Time : 3:30 pm – 5:00 pm
Venue : Heriot-Watt University Malaysia (Seminar Room 9)

A coffee talk was held for Actuarial Science students and lecturers to get together and know each other. The number of students who participated in this session is 30. This is the first time a socializing event between students and lecturers of actuarial science is held. As the response from the students are great, more socializing events similar to this are expected to be held in the future.

Continuing Projects:

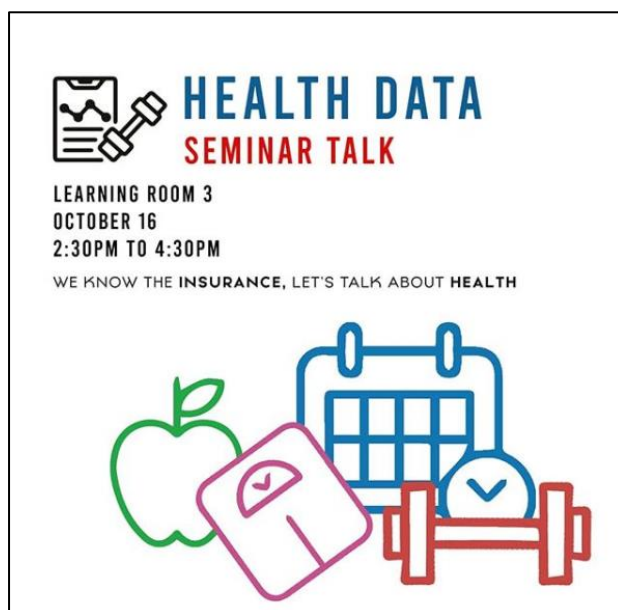

PALS Tutoring

PALS Tutoring has been progressing well with a more consistent number of tutors and tutees giving positive feedbacks regarding the help they received from PALS. The society has been working on ways to improve the quality of PALS Tutoring, and is making plans to have an independent department within the committee hierarchy, solely focusing on the performance for future PALS Tutoring.

Cancelled Projects:

HealthData

This event was unfortunately cancelled due to the low number of participants. Even though the event was marketed early on, the number of participants is still low, thus dissuading further sport-related activities.

Tokio Marine Trip, Allianz Trip, Interview Masterclass, Internship Supporting Document Launch

These events are unfortunately cancelled due to the outbreak of Coronavirus. We will work hard to make these events come true in the upcoming academic year.
